Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey or other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price fifty cents and \$1.00 per bottle at W. H. Styer's Drug Store.

Death of George Pillsbury.

It was a great shock to the many friends of George L. Pillsbury when his death was announced Monday morning.

Mr. Pillsbury died at Athens, where he had been for a number of months, part of the time in charge of the cooking at the State Hospital. The trouble is presumed to have been one of the heart, as Mr. Pillsbury's excessive flesh would make him predisposed to heart disease. He was sick but a day or two.

To rectify George's graces would be to tell a long story. He had a sunny disposition, such as made the world brighter by having lived in it. None of the latter-day crosses which he experienced seem to affect his hopes or his geniality.

At the age of 29 years poor George was cut off early, and an almost limitless number of friends will grieve to know of his death.

It is expected that the remains will be brought to Marietta for burial, and the funeral will be in charge of the Odd Fellows of which body the deceased was a valued member.

Your Boy Wont Live a Month.

So Mr. Gilman Brown, of 34 Mill St., South Gardner, Mass., was told by the doctors. His son had Lung trouble, following Typhoid Malaria, and he spent three hundred and seventy-five dollars with doctors, who finally gave him up, saying: "Your boy wont live a month." He tried Dr. King's New Discovery and a few bottles restored him to health and enabled him to go to work a perfectly well man. He says he owes his present good health to the use of Dr. King's New Discovery, and knows it to be the best in the world for Lung trouble. Trial Bottles Free at W. H. Styer's Drug Store.

No need to suffer with rheumatism, lumbago, neuralgia, cramps or colic. Dr. Thomas' Electric Oil cures all such troubles, and does it quickly.

Women go on, heedlessly ignoring the dangers that lie right in the path of their thoughtlessness. They neglect little warnings until they get used to them. The warnings become louder and louder, and still they do not heed them. Their sickness increases like a snowball rolling down hill. The sickness comes on gradually, and they get used to it gradually, but it ruins their lives just the same. One woman's experience is perfectly healthy. Sometimes her weakness is inherited, sometimes acquired by carelessness. In every case, care and Dr. Pierce's Favorite Prescription will give her new life and strength and vitality. It will fill out the hollows in her cheeks, bring color to her lips, brighten her eyes, and make her really and truly a woman. The "Favorite Prescription" is of inestimable value at three stages in the lives of every woman—when the girl becomes a woman, when the woman becomes a mother, and when the mother becomes incapable of maternity. At these times it gives safety and strength. It is the only medicine now before the public for woman's peculiar ailments, adapted to her delicate organization by a regularly graduated physician—an experienced and skilled specialist in these maladies. It cannot do harm in any condition of the system. Its sales exceed the combined sales of all other medicines for women.

Every woman should have and read Dr. Pierce's Common Sense Medical Adviser, a great book of a thousand pages, profusely illustrated which will be sent free on receipt of 21 one-cent stamps, to pay for mailing only. Address, World's Dispensary Medical Association, No. 662 Main Street, Buffalo, N. Y.
